E-filing

On or about May 3rd, I received a package from the Office of the Clerk, regarding Electronic Case Filing (ECF). On June 1st, I submitted a Request to Elmwood facility for allowing computer Internet access. On June 4th, I submitted another request in an effort to find out about the status of my first request. To date, I have not heard back from either requests yet.

I seek court's approval to fulfil any filing requirements starting two (2) weeks after arrangement is made for granting computer Internet access at Elmwood facility.

Signed under penalty of perjury,

Dear Duty Clerk:

I received your package re: In FORMA PAUPERIS. However, I do have more than \$5.00 in my money account. On June 2nd, I have submitted a request to have a County Warrent / check issued to the District Court. I have not yet heard back from Elwood. As soon as I hear from them, I will mail it to you.

I also requested for computer Internet access for ECF (Electronic Case Filing) requirement. I have not head back about that either. I understand there is a "10 business day" deadline, for one of the filing, which is coming up in the next few days. Thus, I am filing a "Motion to extend time" for now.

Sincerely,
